

SOCIAL MEDIA THAT SELLS ALL DONE FOR YOU.

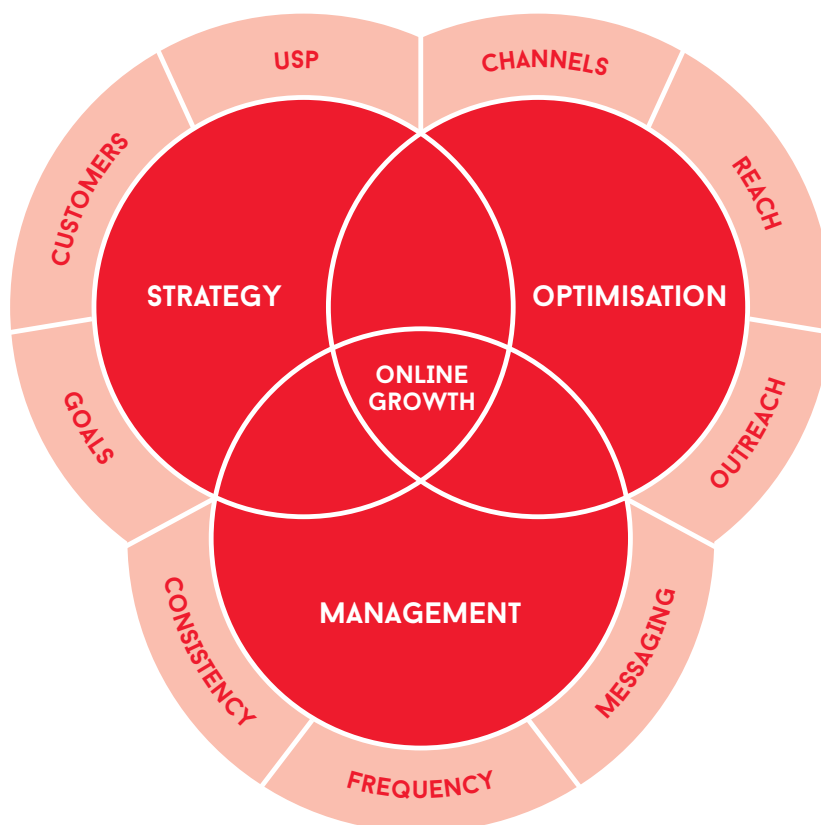

We know how important social media is to grow a business and brand today. But do you:

- Not know where to start?
- Lack confidence in what to do or how to maximise your social media time and resources?
- Are active for a week or two, then it falls down, or off, the priority list?

All of these issues can significantly hinder your growth; as over 80% of prospects will check you out online.

At 101 Things, we put the 'SOM' into Social Media:

- 1 Strategy** – what YOUR ideal social media plan looks like
- 2 Optimisation** – the foundations of your house, this step helps to get you found by more people
- 3 Management** – we post on your behalf, to an agreed schedule, to achieve the consistency and frequency social media channel algorithms crave.

We successfully support clients across FMCG, Finance, Freight, Education & Training, Luxury Boat Hire, IT, Advisory Services, Landscape Gardening, Property Development, Chambers of Commerce & Architectural industries.

If you're looking to maximise your online presence, to grow and develop your brand, we'll tailor a package to suit your goals and budget.
